

## *Carrying Cases*

Express yourself, show off your style, change your identity with variety of stylish and trendy Canyon accessories.

## Canyon high quality standards

Our products are subject to a **large number of tests:**

- **color permanence** and physical appearance
- fiber analysis for **durability**
- **reliability** test during time of which product is exposed to high/low-temperature storage, salty & misty condition, upon results weak components should be replaced to prevent premature failure
- zipper opening / closing **over 5000 times**
- **endurance** test during which product is loaded with more than 10 kg.

In addition, what is important - quality standards are constantly improving due to the continuous control of Asbis Total Quality Control System and significantly influence the high quality requirements in general.

## Why Canyon carrying cases?

### ***High-quality fabric.***

Canyon bags are very convenient at maintenance and are easy to look after. Durable, high-quality fabric is easy to clean from dirt and stains.

### ***Ergonomic design.***

All backpacks have a scrupulously considered design and provide maximum comfort for the user.

### ***Practical advantages and wear resistance.***

It is not recommended to wash bags in washing machine but our models are able to withstand these tests.

### ***Reliable main compartment.***

It is guaranteed that your device is protected even in a case of drop.

### ***High quality standards.***

Our production corresponds to the highest European standards. All materials are certified by the standards of ROHS, CE.

## Simple backpack

Practical backpack for walk, sport and every day routine. Compact and lightweight: if necessary, it can be easily folded up and hidden in a pocket of another bag.
